COLORS Available as per requirement

## WAIST APRONS

They offer a durable, long-lasting, and easily laundered uniform piece that protects employees' clothing, reducing the need for expensive full-uniform replacements.

COLORS Available as per requirement

## GUEST TOWELS

Attention to small details like a fresh guest towel can significantly enhance the overall guest experience, leading to positive reviews and repeat business.

COLORS Available as per requirement

## BED RUNNER

A bed runner shields the primary bedding, like duvets and comforters, from dirt and scuffs, which often happens when guests sit on the bed or place luggage on it. This reduces cleaning frequency and extends the life of more expensive bedding.

COLORS Available as per requirement

#### WORK VEST

Can be made as per your Requirement

#### AVAILABLE COLORS

As per requirement

# Industrial Workwear Collection

We manufacture and export workwear fabrics that work as hard as you do. Our textiles are expertly engineered for maximum performance, combining critical safety features with all-day comfort. Partner with us to equip your team with the highest-grade fabrics that withstand the toughest conditions.
